### EQUIBREED NZ SEMEN REQUEST FORM (2010 / 2011 season)

- Please complete Page 2 of the semen request form below, sign and return to EquiBreed NZ Ltd prior to any semen being dispatched from EquiBreed NZ Ltd.
- All semen dispatches must be paid for prior to the collection or dispatch of the semen from EquiBreed NZ Ltd.
- No semen will be released from EquiBreed NZ Ltd without written authority from the stallion / semen owner. This authority can be mailed, faxed or emailed to us and is included on the semen request form.
- There is only one semen request form for both mare and stallion owners.

#### Fresh / chilled semen:

1. Either the mare or stallion owner will be invoiced at the time of the semen collection according to the details provided on completed semen request form.
2. Authorisation for the release of semen is always required from the stallion owner.
3. Breakdown of costs of semen collection
 

Semen collection & evaluation fee	\$150.00
Semen handling, EquiBreed NZ extender and packaging	\$ 50.00
<b>TOTAL: \$200.00 (+ GST)</b>	
4. For mares inseminated at EquiBreed NZ Ltd, there will be no additional freight costs.
6. For mares **not** inseminated at EquiBreed NZ Ltd there will be additional freight costs:
  - a. Delivery to Hamilton airport \$ **65.00 (+ GST)**
  - b. Courier fees (eg: Airport – Airport) variable – usually around \$125 +gst

#### Frozen semen (National):

1. For mares inseminated at EquiBreed NZ Ltd there will be no semen dispatch costs.
2. **For mares not inseminated at EquiBreed NZ Ltd**, please allow at least **3 working days for frozen semen** shipments to be organised and dispatched outside of EquiBreed NZ Ltd.
3. We will only ship frozen semen to a veterinary clinic or a recognised semen storage centre that can take legal responsibility for the storage of semen.
4. Please order frozen semen to be delivered prior to the mare being delivered to EquiBreed NZ or designated veterinary centre.
5. Emergency semen requests which require delivery within 72h of request incur additional charges.
6. Avoid weekend orders to minimise problems with Saturday delivery and lost goods.
7. Costs of national dispatch of frozen semen from EquiBreed NZ **to mares not at EquiBreed NZ Ltd**:
 

Administration & semen handling per stallion	\$ 75.00
Container Hire (\$15/day for 7 days):	\$105.00
Liquid Nitrogen :	\$ 75.00
<b>TOTAL: \$255.00 (+ GST)</b>	
8. **The semen emergency:** If less than 72hr notice is provided then the following additional fee will be charged. This service is only available if there is a shipper available at short notice.
 

Emergency dispatch fee	<b>\$75.00 (+gst)</b>
------------------------	-----------------------
9. Please note that you are welcome to provide your own frozen semen shipping container, please bring it “fully charged” with liquid Nitrogen to collect frozen semen from EquiBreed NZ Ltd. You will need to make an appointment for this service.
10. Courier Fees are NOT included and vary depending on the location and the weight of the container and the method of shipment eg: NZ Couriers versus same day airport-airport delivery.
11. **Insurance** of the semen is the responsibility of the semen owner/agent.
12. EquiBreed NZ Ltd is not responsible for the safety of the semen during transit or once it leaves the EquiBreed NZ Ltd storage facility.
13. All **Semen / Service Fee contracts and agreements** are between the mare owner and the stallion owner/agent.
